**Call to Order / Agenda Approval**

The meeting was called to order at 9:30 AM PT by President Herff Jones.

The agenda was approved (Motion by Gary Goodman, Seconded by Broox Boze, Approved).

The minutes from the June 20, 2025 meeting were approved (Motion by Peter Bonkrude, Seconded by Michael Doyle, Approved).

**Treasurer's Report**

Treasurer Gary Goodman presented the draft year-end financial report for 2024–2025. Highlights included continued strength in reserves, modest growth in membership dues revenue, and final reconciliation of grant reimbursements.

The board approved the financial report as presented (Motion by Gary Goodman, Seconded by Broox Boze, Approved).

### **Membership Update**

R'Mani White provided a membership update. Renewals for 2025–2026 were underway, with overall membership tracking steadily compared to prior years. Trends included stronger engagement from new sustaining members and ongoing outreach to lapsed members.

### **Events Update**

Natalie Perry reported on event planning. 2025 Annual Meeting On-Demand: Virtual content will be released via the LMS is now live and available to members. 2025 Interim Board Meeting (IBM): Update on hotel and logistics is ongoing. 2026 Annual Meeting (Portland): Planning is advancing with symposia proposals and exhibitor prospectus development.

### **Technical Advisor Report**

Dr. Dan Markowski highlighted: Updates on regulatory and legislative monitoring, including follow-up on HR 3824 and pesticide registration reviews. Technical grant project coordination, including modeling work and drone program development. Ongoing national partnerships for training content, NEHA collaboration, and webinar planning.

### **Executive Director Report**

Executive Director Megan MacNee provided updates on updates regarding AMG staffing, grant management, and more.

### **Adjournment**

The meeting was adjourned at 11:00 AM PT by President Herff Jones.
